Infinitive Solutions, LLC, the parent of GDS Storefront Estimating and all of its properties and products, does not express or imply any warranty for the contents or accuracy of this catalog information. The accuracy and completeness of the data included in GDS software catalogs is not guaranteed in any way and must be thoroughly checked by the Licensee. GDS has no expressed or implied obligation to provide current catalog information for its manufacturer catalogs, but will make every effort to provide current information for said catalogs. The Licensee must be aware that manufacturer catalogs may or may not be checked and approved by the actual manufacturer of the material. ENTIRE AGREEMENT

Licensee acknowledges that Licensee has read this agreement and understands this agreement (the "Agreement") is the final, complete and exclusive statement of the entire agreement between Infinitive Solutions, LLC ("Infinitive") and Licensee. This Agreement supersedes any prior and contemporaneous proposals, purchase orders, advertisements, and all other communications in relation to the subject matter of this agreement, whether oral or written. No terms or conditions, other than those contained in this Agreement, and no other understanding or agreement which in any way modifies these terms and conditions, shall be binding upon Infinitive unless made by a written agreement, executed by duly authorized representatives of both Infinitive and Licensee.

LICENSED SOFTWARE AND DOCUMENTATION LICENSE

1. Infinitive hereby grants Licensee a non-exclusive, non-transferrable and perpetual license to use the enclosed computer software (the "Licensed Software") and the associated printed documentation (the "Documentation"), subject to the limitations set forth in this Agreement (the "License"). Licensee may use the Licensed Software only on one central processing unit with one input terminal. All right, title and

interest to the Licensed Software and the Documentation are, and shall remain, in Infinitive or Infinitive's licensors, as the case may be. Licensee has no right of access to the source code of the Licensed Software. Licensee is not entitled to updates or upgrades of the Licensed Software or Documentation.

2. Licensee may not alter, assign, create derivative works, decompile, disassemble, distribute, lease, modify, reverse engineer, sublicense, transfer or translate in any way the Licensed Software or Documentation; provided, however, that Licensee may permanently and simultaneously transfer all of the Licensed Software, Documentation and the License if: a) Licensee delivers to the transferee the Licensed Software and Documentation; b) notify Infinitive in writing of such transfer; and c) destroy any archival/backup copy. Licensee agrees that the transferee must expressly accept all terms and conditions of this Agreement.

3. Licensee MAY NOT COPY the Licensed Software or Documentation; provided, however, that Licensee may make one (1) copy of the Licensed Software for archival/backup purposes.

4. If either the Licensed Software or Documentation is used in any way not expressly and specifically permitted by this License, then the License shall immediately terminate. Upon the termination of the License, Licensee shall thereafter make no further use of the Licensed Software or Documentation, and Licensee shall return to Infinitive all licensed materials at the expense of the Licensee.

#### WARRANTIES

1. LIMITED WARRANTY ON DISTRIBUTION MEDIA. For a period of thirty (30) days following the date of delivery of the Licensed Software and Documentation to Licensee as the original licensee, if evidenced by Licensee's receipt as such, (the "Warranty Period") Infinitive warrants the DISTRIBUTION MEDIA (the "Media"), such as diskettes or CDs, on which the Licensed Software is embodied to be free from defects in materials and workmanship under normal use. The warranty is personal to Licensee, and no warranty is made to Licensee's transferees. Any implied warranties of merchantability or fitness for a particular purpose for the media are limited in duration to the Warranty Period, after which time all warranties, of whatever nature, are specifically disclaimed.

2. NO WARRANTY ON LICENSED SOFTWARE OR DOCUMENTATION. Infinitive licenses the Licensed Software and Documentation solely on an "AS IS" basis without warranties of any kind, such as warranties of merchantability or fitness for any particular purpose. The entire risk of quality and performance is with Licensee. The Software and Documentation are not represented to be error-free. If either the Licensed Software, Documentation or both prove to be defective, Licensee assumes the entire cost of all servicing, correction or repair.

3. The foregoing warranty gives Licensee specific legal rights, and Licensee may also have other rights which vary from state to state. Some

states do not allow the limitation or exclusion of implied warranties, so the above limitations may not apply to Licensee.

#### REMEDY FOR DEFECTIVE MEDIA

Licensee's sole and exclusive remedy in the event of a defect in a warranted item is expressly limited to replacement of the defective media. To receive a replacement, Licensee must send the defective media, with proof of purchase, to Infinitive at the address indicated below, postage pre-paid and postmarked within the Warranty Period. In no event shall Infinitive be liable for any other obligations or liabilities including, but not limited to, liability for damages (whether general or special, direct or indirect, consequential, incidental, exemplary), or for any claim for the loss of profits, business or information, or damage to good will even if Infinitive has been advised of the possibility of such damages. In any event, Infinitive's maximum liability shall be limited to the amount of the purchase price.

Some states do not allow the limitation or exclusion of incidental or consequential damages, so the above limitations may not apply to Licensee.

#### U.S. GOVERNMENT RESTRICTED RIGHTS LEGEND

The Licensed Software and Documentation have been developed exclusively at private expense, and are provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Licensed Software clause at DFARS 252.227-7013. Infinitive is the Contractor, and is located at 2033 San Elijo Ave. #221, Cardiff by the Sea, CA 92007, (858)538-4375.

#### MISCELLANEOUS

This Agreement shall be considered severable, and if for any reason any term or condition is determined to be invalid, illegal or unenforceable under current or future law, such invalidity shall not impair the operation of, or otherwise effect, the valid terms and conditions of this Agreement, so long as the intent of this Agreement is maintained.

This Agreement shall be governed by, construed and enforced in accordance with the laws of the Commonwealth of California, with the exception of its conflict of law provisions. The parties consent to the personal jurisdiction of the Commonwealth of California and agree that any legal proceedings arising out of this Agreement shall be conducted solely in such Commonwealth.

No action, regardless of form, arising out of this Agreement may be brought by either party more than one (1) year after a claim has accrued.
